BLS	30	20

MTN PERSONEL CHANGE

- DIRECTOR SHIFT
- PROGRAM SHUFFLE

PEARS

- Provider Course
- Currently Available
- Sub-Course under PALS

• Must have a PALS Course

CME Overhaul

- New Submission Requirements (will come out in separate instruction)
- Standard Agenda (currently no deviations authorized)
- PCR Must be submitted with in 30 days
- NO approval = NO CME
- Currently pursuing CNEs

Community Outreach

- MTN has always encouraged outreach programs, first time we have actively pursued
- Must be command endorsed (in writing)
- PCR's must be completed to track individuals trained
- MTN Cards will NOT be issued, COT may be issued.

Increased Compliance

- Self Assessment
- Staff Assistance Visits
- Program Administrator Orientations
- Probationary Status
